# Morris Hills Welcomes The Class of 1984

Denise Farley and Bob Bodzioch welcome our new Freshmen.

While the rest of us were enjoying the last day of our summer vacation, the Freshmen were treated to a day especially for them. Morris Hills planned a series of activities for them to get accustomed to their new surroundings. Student leaders were introduced, as well as teachers and administrators. Clubs and sports interested in recruiting Freshmen set up tables in the gym. The day was very successful, and the Class of '84 entered Morris Hills High School a little more at ease.

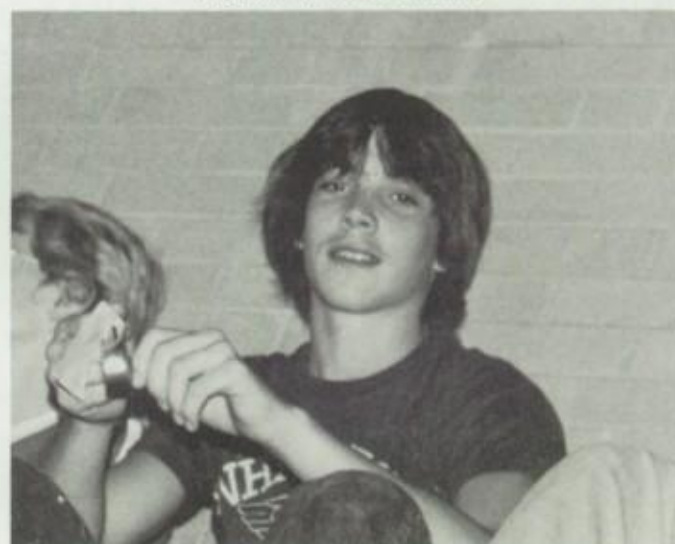

Mrs. Moore signs up a prospective fencer.

Hillary Goldberg looks for some new members.

Darcelle Ferrier and Trish Curran are pleased with all the Freshman enthusiasm.

# Sophomores are the Peppiest!

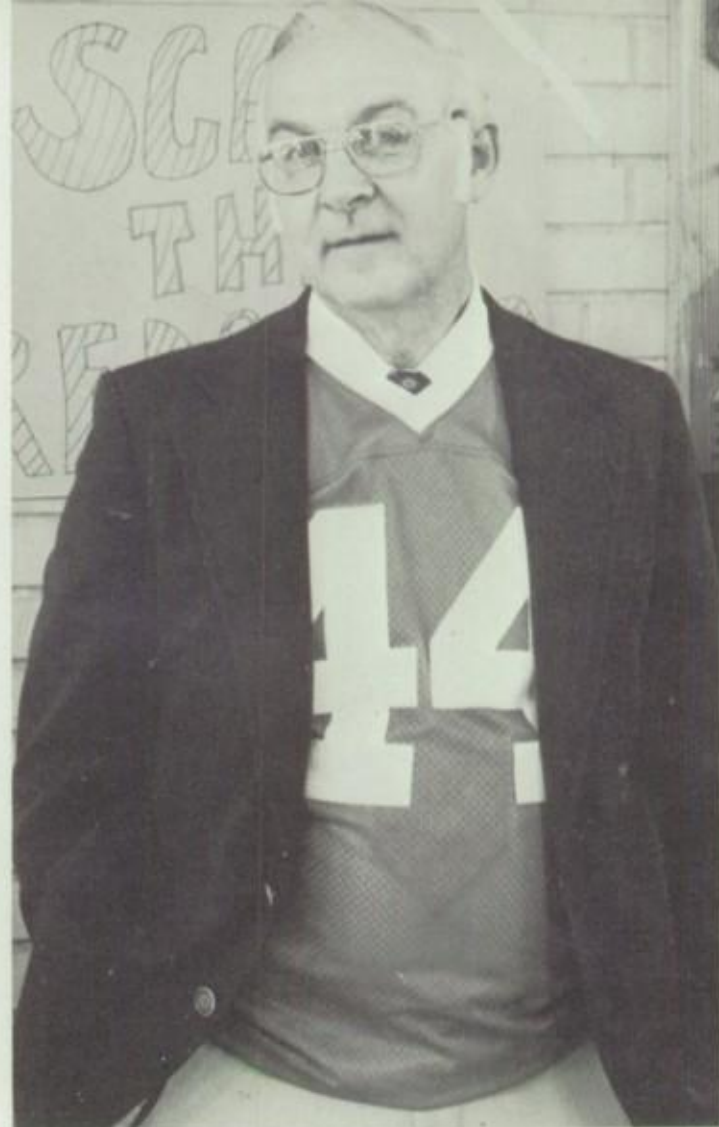

The Band was playing, the Cheerleaders were cheering, the sound coming out of Gyms 1 and 2 was tremendous, and everyone was psyched! Thanks to the efforts of the Cheerleaders and their advisors, Morris Hills was treated to the greatest Pep Rally ever held. All of the athletes participating in fall sports were introduced along with their coaches and a competition was held between the classes to see who could cheer the loudest. This year's winner was the Sophomore Class.

Rick Baron and Deandra Dean get set for a night of dancing

The Cleffis demonstrate a "dip."

Emmett and Becky sit back to enjoy the great disco music.

Jeff Hayet samples some of the fine cuisine.

Can you just picture colored lights, fog, explosions, and candles glowing in our lunchroom? Well on October 3, the students of Morris Hills came to school prepared to "disco the night away!" Thanks to Mr. Naclerio, everyone had a great time, and one that they'll all remember.

Ruth Fainberg "digs in."

Using keen strategy and excellent technique, the Seniors mounted a strong attack against the Faculty, and beat them decisively in the Annual Senior/Faculty Volleyball Game. For the first time the Women were able to participate. Our Faculty tried their hardest, but lost both games to talented Senior teams.

Joanne Mac awaits the ref's decision.

Mrs. Lynch does her best to spike the ball passed Denise Sanderson and Dawn Molnar.

# Halloween — Hill's Style

It was a day of "clownin' around."

On October 31st, Morris Hills was filled with the spirit of Halloween. For the second year, students dressed up in their favorite costumes to celebrate the occasion. A parade was held and awards were given. It was a day we'll all remember.

Flash Gordon with Father Wheatley and his Sister.

# Mom and Dad Come Back to School

Miss Hopkins explains what goes on in her classes.

Our parents had a chance to go back to high school on October 9th. Going through their child's schedule, they were able to meet teachers and ask questions. Any parents late to class were considered Non-cumulative, and we're happy to report that none had to be sent to Mr. Sharkey for cutting.

Joyce Joe and Sara Pindus give some welcomed help to a parent in need.

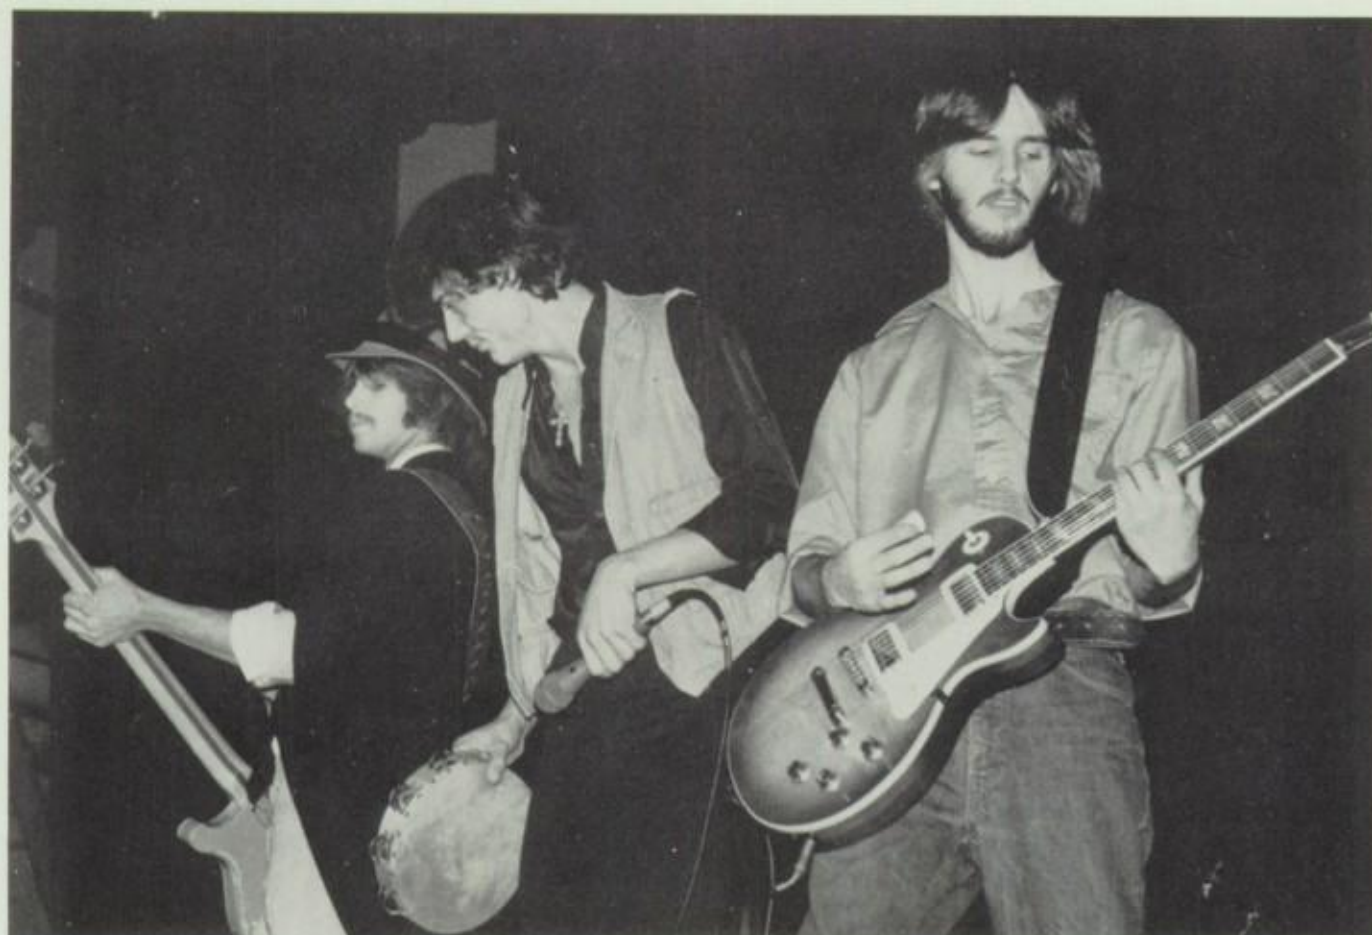

Miss Foley answers a question from an inquiring parent.

Miss Toepert shows some slides of student artwork.

On January 31, 1981, Superintendent of Schools, Mr. Patrick Caruso officially retired from the Morris Hills Regional District after 28 years of service. He started in 1953 as a history teacher and served the district as track and football coach, bus driver, department chairman, counselor, adult school director, Assistant Principal, Assistant Superintendent and finally Superintendent of the district.

On behalf of the students and staff of Morris Hills H.S., we wish him the best of luck, and thank him for his hard work and devotion to our school throughout his many years of service.

*The cover of this book may close, but it will never shut out the memories of our lives within the walls of M.H.H.S. We will go our separate ways along the path of life, but in our hearts we will always be together. We've had fun, but we must say "good-bye." Let's not be sad — for in our hearts the cherished memory of M.H.H.S. will always be."*
